Hi <<Don't put your details here!>>,

Our next monthly meetup is coming up today at 11 (refreshments provided). We hope to see you there to discuss all things new in machine learning, as well as talk about what we've been working on!

We look forward to seeing you!

Updates

- We have a **Teams channel** under the LIDA group - [click here to visit it](#) and make sure to turn channel notifications on!
- If you'd like to **add your profile to sciml-leeds.github.io**, we now have a tool to make this easier. [Click here](#) and fill out the form with your details.

Resources

- [Graph & Geometric ML in 2024: Where We Are and What's Next](#) - Blogpost interviewing a cohort of academic and industrial experts in an attempt to summarise the highlights of the past year and predict what is in store for 2024.
- [Geographic location encoding using spherical harmonics and sinusoidal representations](#)
