Hi <<Don't put your details here!>>,

Our next monthly meetup is today! We hope to see you there to discuss all things new in machine learning, as well as talk about what we've been working on!

Do you have a machine learning problem that you're working on, and wish to talk about it? Bring slides along with you or email them to [sciml@lists.leeds.ac.uk](mailto:sciml@lists.leeds.ac.uk).

### Updates

- We have a **Teams channel** under the LIDA group - [click here to visit it](#) and make sure to turn channel notifications on!
- If you'd like to **add your profile** to [sciml-leeds.github.io](https://sciml-leeds.github.io), we now have a tool to make this easier. [Click here](#) and fill out the form with your details.

### SciML Leeds Logo Competition!

SciML is looking for a new logo to take us into the new academic year! Anyone can enter, and you can enter as many logo ideas as you like. The competition will be

## SciML Leeds Literature Club

A fortnightly forum to share and discuss interesting papers that we have read recently. A space to practice low-stakes presentation, broaden the range of literature we are exposed to, and encourage the discussion of new scientific machine learning methods.

- If you have any suggestions or queries, feel free to email Miranda at [scmho@leeds.ac.uk](mailto:scmho@leeds.ac.uk).
- The schedule is managed on [this sheets file](#), if you wish to present, please add yourself to an unclaimed date.
